

## **Prof. Dr. Reyn van Ewijk**

Johannes-Gutenberg-University Mainz  
Gutenberg School of Management & Economics  
Chair of Statistics and Econometrics  
Jakob-Welder-Weg 4  
D-55128 Mainz  
tel. +49 6131 39 24790, [vanewijk\[at\]uni-mainz.de](mailto:vanewijk[at]uni-mainz.de)  
[Link to website](#)

### **Current position**

Since 2014 Full professor (W3) of Statistics and Econometrics, Faculty of Law and Economics, University of Mainz, Germany

### **Education**

Oct. 2009 PhD in Applied Microeconometrics, University of Amsterdam, The Netherlands.  
Thesis: Empirical Essays on Education and Health  
Supervisor: Prof. Hessel Oosterbeek; Co-supervisor: Prof. Peter Sleegers

1997-2002 Degree in Economics (Bachelor + Master equivalent), University of Groningen, The Netherlands

1995-2001 Degree in Psychology (Bachelor + Master equivalent), University of Groningen, The Netherlands. Majors: 1. Statistics & Research Methods; 2. Social Psychology

### **Previous Positions**

June 2011 – 2014 Assistant professor, University Medical Center Mainz, Germany, Institute for Medical Biostatistics, Epidemiology and Informatics (IMBEI)

2013 – 2014 Deputy department head, department of Epidemiology & Health Care Research, IMBEI, Mainz

2010 – 2011 Postdoctoral researcher in Applied Microeconometrics, VU University Amsterdam, Department of Economics, The Netherlands

2009 – 2010 Postdoctoral researcher in Applied Microeconometrics, Amsterdam School of Economics, University of Amsterdam, The Netherlands

2005 – 2009 PhD candidate, Amsterdam School of Economics, University of Amsterdam, The Netherlands

2002 – 2004 Statistician, Market Research Company Motivaction, Amsterdam, The Netherlands

## Research Visits

2018-2020	Regular visitor, University of Amsterdam
Winter 2010/11	University of Mannheim
2009 – 2011	Part-time visitor at London School of Economics
Winter 2008	London School of Economics

### Grants

- German Alliance for Global Health Research (GLOHRA), grant for workshop organization (with F Pradella, N Lambrecht, S Gabrysch), 2024: € 12 100
- German Research Foundation (DFG) (grant number 260639091), “Ramadan during pregnancy: effects on health and fertility across the generations”, 2021: € 225 850
- German Research Foundation (DFG) (grant number 455841434), “How do prenatal and postnatal circumstances interact in shaping health? An interdisciplinary approach using quasi-experiments”, 2021: € 416 100 (together with Sabine Gabrysch)
- Innovation Fund of the Gemeinsamer Bundesausschuss (Federal Joint Committee, GB-A), “Structured Early Assessment of Asymptomatic Liver Cirrhosis (SEAL)”, 2017: € 131 000 (together with Louis Velthuis)
- German Research Foundation (DFG) (grant number 260639091), “Ramadan during pregnancy and its effects on the health of the child throughout its life course”, September 2014: € 305 159

### Awards

- Science Award (“Wissenschaftspreis”) 2023 of the German Health Economics Association (DGGÖ), together with Marc Diederichs, Ingo Ispording and Nico Pestel
- Teaching Award, Graduate School of Economics, Finance, and Management (GSEFM), Academic year 2020-21: 3<sup>rd</sup> prize
- Teaching Award, Graduate School of Economics, Finance, and Management (GSEFM), Academic year 2019-20: 2<sup>nd</sup> prize

- Outstanding Contribution in Reviewing, Economics and Human Biology, 2018
- Outstanding Contribution in Reviewing, Journal of Health Economics, 2016
- The prize for the Best Oral Communication – European Congress of Epidemiology, 2012
- Marie Curie research training network of the Economics of Education and Education Policy in Europe (EEEEPE): research fellowship for research visit at London School of Economics, 2008.

### **Doctoral Thesis Advisor**

- Marc Diederichs, 2023, Essays in Network and Health Economics
- Pamela Qendrai, 2022, Essays in Applied Microeconomics: Labor Market Determinants and Firm Performance
- Fabienne Pradella, 2022, Effects of Early Life Events on Human Capital Outcomes
- Diego Huber Cortes, 2021, Three Essays in Economics of Education using Data from International Large-Scale Assessments
- Birgit Leimer, 2019, Essays on Health Economics
- Timo Münz (ongoing)
- Van Tran (ongoing)
- Paul Witte (ongoing)
- Juditha Wójcik (ongoing)
- Christian Zürpel (ongoing), with Rainer Klump
- Catalina Lauer Zegarra (ongoing), with Thorsten Schank
- Theresa Bolz (ongoing), with Simon Reif
- Nicole Karnaus (ongoing), with Matthias Schündeln

### **Dissertation Committees**

Johannes van Vlodrop (University of Frankfurt, 2024), Johannes Carow (University of Mainz, 2023), Prakash Pathak (University of Frankfurt, 2022), Tobias Stein (University of Mainz, 2021), Manuel Denzer (University of Mainz, 2021), Di Lu (University of Mainz, 2020), Emilio Gianicolo (University Medical Center Mainz, 2018), Henning Müller (University of Mainz, 2017)

### **Media Coverage (selection)**

BBC World Service Radio, Cosmos Magazine, Daily Mail, Die Welt, The Economist, FunX Radio, Inside Story (Australia), Jerusalem Post, Med India, The New Republic, Radio 1 (The Netherlands), TAZ, Times, Trouw, Univadis-Medscape, Volkskrant, Washington Post

## **Refereeing (selection)**

American Journal of Epidemiology, American Journal of Public Health, BMJ, BMJ Global Health, Economics & Human Biology, Economics of Education Review, Education Economics, Educational Research Review, Health Economics, International Journal of Epidemiology, Journal of Economic Behavior & Organization, Journal of Development Economics, Journal of Educational Psychology, Journal of Epidemiology & Community Health, Journal of Epidemiology & Global Health, Journal of the European Economic Association, Journal of Health Economics, Journal of Human Resources, Journal of Population Economics, Labour Economics, Nutrients, World Development

## **(Co-)Organization of Conferences / Workshops**

- Interdisciplinary Workshop “Causal Methods in Early-Life Research” (2024)
- Mainz Workshop on Systematic Reviews and Meta-Analyses (2024)
- FReDA (The German Family Demographic Panel Study), Mainz (2023, 2024)
- International Health Economics Workshop Tilburg (2022)
- International Health Economics Workshop Mainz (2019)

## **Miscellaneous Professional Services**

- Organizer Brown Bag Seminar, University of Mainz
- Member of the Coordination Committee of the Research Unit Interdisciplinary Public Policy (IPP), University of Mainz
- Member, Health Economics Committee, German Economic Association

## **Teaching**

### *Present*

- Empirical Economics, Bachelor level, University of Mainz [German]
- Micro Econometrics, Bachelor level, University of Mainz [German]
- Applied Econometrics: Health Economics, Graduate School of Economics, Finance, and Management (GSEFM) [English]
- Micro Econometrics A: Causal inference & advanced techniques, Master level, University of Mainz [English]
- Introductory Econometrics, Master level, University of Mainz [English]
- Seminars, Master level, University of Mainz [English]

### *Past (selection)*

- Statistics II, Bachelor level, University of Mainz [German]
- Mathematics, Bachelor level, University of Mainz [German]
- Health Economics, Tinbergen Institute, Amsterdam [English]
- Evidence Based Medicine, University Medical Center Mainz [German]
- “Principles of Testing” and “Measurement of Association”, Master in Epidemiology, University Medical Center Mainz [English]
- The Welfare State and Health Economics, Master level, VU University, Amsterdam [English]

## **Presentations at Conferences & Seminars**

### *Invited Seminars*

Wuppertal, Germany; Federal Institute for Population Research, Germany; Antwerp, Belgium; Essen, Germany; Nuremberg, Germany; Hamburg, Germany; University of Southern Denmark; IZA, Bonn, Germany; University of Göttingen, Germany, Faculty of Economics; Ludwig-Maximilians University Munich, Germany, Faculty of Economics; Heidelberg University, Institute for Public Health (2x), Germany; Centre for European Economic Research (ZEW), Mannheim, Germany (2x); University of Mannheim, Germany, Faculty of Economics; Frankfurt University, Germany, Faculty of Economics; Erasmus University Rotterdam, The Netherlands, Faculty of Economics; University Medical Center Amsterdam, The Netherlands (2x); Bristol University, United Kingdom, Faculty of Economics; Ministry of Education, The Netherlands; Chicago Federal Reserve Bank, USA; London School of Economics, United Kingdom; National Islamic University, Jakarta, Indonesia, Medical Faculty

### *Presentations at Conferences (\* denotes keynote)*

Humboldt Kolleg – Translate Southeast Asia (2024)(\*), Causal Methods in Early-Life Research (2024), Workshop on Using Environmental Data in Occupational & Environmental Epidemiology (2023)(\*), European Public Health Conference (2023), German Society for Epidemiology (DGEpi) (2023), Robert Koch Institute – Quasi- and Non-Experimental Studies & Methods for Public Health Impact Analysis (2022)(\*), Committee for Health Economics of the German Economic Association (2021), European Society for Population Economics (2019), European Association of Labour Economists (2018), European Society for Population Economics (2017), Heidelberg Workshop on Health Economics & Health Policy (2017), German Society for Health Economics (DGGÖ, 2017), Dutch Society for Obstetrics & Gynaecology (2016)(\*), European Association of Labour Economists (2016), European Economic Association (2016), iHEA & ECHE Joint Congress on Health Economics (2014), Rethinking Barker (Essen, Germany, 2014), The Long Run Impacts of Early Life Events (Michigan, USA, 2014), German Society for Epidemiology (DGEpi) (2014), Ifo/CESifo & University of Munich & MEA Conference on Empirical Health Economics (2013), European Congress of Epidemiology (2013), Developmental Origins of Health & Disease Symposium (Amsterdam, 2012), European Congress of Epidemiology (2012), German Society for Epidemiology (DGEpi) (2012), Conference on Epidemiological Longitudinal Studies in Europe (2010), European Society for Population Economics (2010), Economics of Education & Education Policy in Europe (London, 2009), International Association for Cross-Cultural Psychology (2008), Economics of Education & Education Policy in Europe (Amsterdam, 2008), American Educational Research Association (2007), JURE (2006), ORD (2005)

## **Language Skills**

Dutch (native), English (fluent), German (fluent)
