

## Integrated Training on “Place” in Global Health – From Geospatial Methods to Positionality

### *Preliminary Program*

<b>Wed</b>	9:00	Training kick-off: “Place in global health” and getting to know each other
<b>Sep 9</b>	9:30	Introduction to the StoryMap framework (structure, examples)
	10:00	Coffee
	10:30	World Café: What do we mean by “place” in Global Health?
	12:00	Plenary reflection
	12:30	Lunch
	14:00	Keynote I: Place and Positionality
	15:00	Participant session: “Place in my project” (short presentations)
	16:00	Coffee
	16:30	Group Work Session I
		<ul style="list-style-type: none"><li>• Interdisciplinary group formation and guided start of group work</li><li>• Reviewing the materials provided by the organizing team</li><li>• Defining the preliminary StoryMap focus and narrative structure</li></ul>
	18:00	Dinner & Group Activity (voluntary participation)
<b>Thu</b>	9:00	Welcome, expectations of the day
<b>Sep 10</b>	9:15	Keynote II: Working with Geospatial Data
	10:00	Hands-On: Geospatial data with provided datasets (guided training, introduction to datasets and tools)
	11:00	Coffee
	11:30	Hands-On: Geospatial data with provided datasets (guided training, exploring and selecting relevant spatial data)
	12:30	Lunch

14:00 Group Work Session II

- Developing the StoryMap using the skills obtained so far
- Integrating maps, other data, and narrative elements
- Connecting empirical data with concepts of place and positionality

16:00 Coffee

17:00 Participant session: “Place in my project” (short presentations)

18:30 Dinner

**Fri** 9:00 Recap, goals and expectations of the day

**Sep 11** 9:15 Group Work Session III

- Finalization of the StoryMaps
- Refining narrative, visualizations and key messages

10:30 Group Work Session IV

- Presentation of the StoryMaps
- Reflection on how “place” shaped the analysis and narrative

12:00 Joint Reflection and Feedback

12:30 Coffee / Departure

This Training Offer is supported by the German Federal Ministry of Research, Technology and Space (BMFTR) as part of the German Alliance for Global Health Research (GLOHRA).
